Piedmont Unified School District Saves Taxpayers More Than \$26.1 Million with Bond Refinancing

On Tuesday, December 12th, the Piedmont Unified School District issued \$27 million of 2017B General Obligation Refunding Bonds. Through the refinancing, property owners within the District will save more than \$26.1 million over the remaining life of the bonds, equal to approximately \$10.85 million in present value savings or 68.14% of bonds refunded. The substantial amount of savings generated from this refunding are primarily attributable to the Board's decision to replace outstanding Capital Appreciation Bonds (CABs) with more cost effective Current Interest Bonds (CIBs). Refunding bonds, which are similar in purpose to refinancing a home mortgage, pay off existing debt with funds borrowed at a lower interest cost.
